Our hospital tries to save money so that we can re-invest it into clinical care. If you want to help us, you can!

Just go to our patient portal at [my.drdoctor.co.uk](https://my.drdoctor.co.uk) and

1. Choose to receive messages from us via email, not text message. Go to 'Settings', toggle ON email and toggle OFF mobile (you may need to add your email first)
2. When you need to cancel or rearrange your appointment, please do so online. Just go to the portal and navigate to 'Appointments'.
